Law done right.

“

Excellent young partner, already very experienced. One client states: “It was really great – Leopold Höher did an excellent job. A hard-working guy who is well versed in big, complex transactions.”

About

Leopold Höher is a member of the Banking & Finance team. Leopold specialises in financing and restructuring transactions advising national and international clients on domestic and cross-border structured debt financing transactions (in particular project, acquisition and real estate financings as well as corporate lending), secured finance transactions, (debt) restructuring transactions and non-performing loan transactions.

He has extensive experience as counsel to lenders and arrangers as well as debtors and sponsors in Austria and CEE. Leopold is the author of various publications on selected issues of Austrian banking and capital markets law.
